Formed in the wake of World War II, the European Union was created to provide a unified trading bloc for Western Europe. As the EU has grown, it has faced obstacles to integration, such as the addition of Central and Eastern European countries and partial adoption of the euro. Now, years later, the EU faces economic and political threats from challenges arising from debt-laden member countries. Join Active Minds as we explore the historical roots of the formation of the EU as well as the economic and social issues that challenge its future. RSVP is requested.

Boulder Dinner Theater presents "Phantom" – Thursday, February 9, 2012 - 5:30PM

Boulder Dinner Theatre's artfully presented and elegantly performed production is a return to what it does best---telling rich, sophisticated stories with dramatic, emotional and technical complexity. This "Phantom" is more romantic and yet less romanticized than the Lloyd Webber's more melodramatic version. Described as more accessible and more human, this is a must see performance. Cost \$45. RSVP required.
